

FOR IMMEDIATE RELEASE:

Chambersburg, PA, March 11, 2009 –

Global Data Consultants, LLC (GDC) an Information Technology Consulting Firm announces the promotion of **Nelson H. Witmer** to **Vice President of Network and Infrastructure Services**.

As Vice President, Mr. Witmer is responsible for developing and supervising GDC's delivery of networking and infrastructure services and for building and managing GDC's customer relationships. Additionally he will play a critical role in supporting GDC's strategic vision and business development efforts into the future.

Mr. Witmer has been with GDC for more than five years in progressive leadership roles and previously held the position of Director of Network and Infrastructure Services at Global Data Consultants, LLC.

GDC's Founder, President and CEO, Greg Courtney states, "Mr. Witmer has developed and led the Network and Infrastructure services and consultants for the past five years. He is a dynamic and inspirational leader with a keen sense of customer service that has been critical to GDC's success."

About Global Data Consultants, LLC

Global Data Consultants, LLC, a Microsoft® Gold Certified Partner and Microsoft® Small Business Specialist, has been a leading Information Technology service provider since 1995 with multiple Mid-Atlantic technical facilities. With experienced and certified consultants, they provide services in the areas of application development; networking and infrastructure; web design; desktop support; 24/7/365 international support center; and managed IT. These services are provided to companies both locally and internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance, and retail vertical markets.
