

FOR IMMEDIATE RELEASE:

Chambersburg, PA, March 4, 2009 –

Global Data Consultants, LLC (GDC) an IT Consulting Firm announces the promotion of **Dan A. Logan** to **Vice President of Application Services**.

In this position, Mr. Logan will manage and drive application development efforts and initiatives in support of GDC's customers. In addition, he is responsible for the management and strategic direction of the application development consulting teams and technical focus. Mr. Logan plays a critical role in the future vision of GDC's strategic business model.

Mr. Logan has been with GDC for more than five years as a consultant and leader and previously held the position of Director of Application Services at Global Data Consultants, LLC.

GDC's Founder, President and CEO, Greg Courtney states, "Mr. Logan has done an outstanding job at growing and defining the application services team. His steady leadership and disciplined approach ensures future success. "

About Global Data Consultants, LLC

Global Data Consultants, LLC, a Microsoft® Gold Certified Partner and Microsoft® Small Business Specialist, has been a leading Information Technology service provider since 1995 with multiple Mid-Atlantic technical facilities. With experienced and certified consultants, they provide services in the areas of application development; networking and infrastructure; web design; desktop support; 24/7/365 international support center; and managed IT. These services are provided to companies both locally and internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance, and retail vertical markets.
