FOR IMMEDIATE RELEASE

GDC Expands Service Offerings through Relocation

Global Data Consultants, LLC (GDC), a leading provider of information technology in the Quad-State area of Pennsylvania, Maryland, Virginia, and West Virginia will be relocating their Wormleysburg, PA office and expanding into a new office at 4550 Lena Drive in Mechanicsburg, PA this month. This expansion comes after strong customer demand to provide additional IT services and solutions including, colocation, managed hosting, and cloud hosting.

The new facility, which includes a resilient data center, provides GDC with advanced capabilities to provide customers increased data protection, predictable operating expenditures, and risk mitigation strategies. By leveraging GDC's technical professionals and real estate, customers can focus on growing their business without the hassles associated with managing technology in-house.

"I'm excited about the opening of our new office in Mechanicsburg, PA. This expansion comes from our careful listening to customer needs and how we can further provide them with tangible IT services and solutions", states Gregory Courtney, President & CEO of GDC.

GDC has been a leading Information Technology service provider since 1995. With experienced and certified consultants, they provide services in the areas of application development; networking and infrastructure; desktop support; 24/7 technical helpdesk; project management; recruiting and staffing; and business process consulting. These services are provided to companies both locally and internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance, and retail vertical markets.
